UNSTOPPABLE

G 650 GS

You won't find many roads that are beyond your reach on the single-cylinder G 650 GS. It not only offers the lowest seat height of any dual-purpose bike on the market today, but has luxurious features like optional ABS and heated hand grips as standard. It's been taken across the globe with a whole range of touring accessories available, yet it's a nimble, capable commuter bike for cross-town expeditions. All this comes at a price that delights beginners and surprises the experts.
