**K 1300 GT**  
TOUR

# K 1300 GT

The new K 1300 GT is the lightest and most powerful sport-touring bike on the road, with a whopping 160 hp and 100 lb/ft of torque at your fingertips, yet offers this with amenities even luxury touring bikes can't match. Marry acceleration to smooth, responsive handling thanks to BMW's revolutionary Duolever front suspension. Mix in high technology features like Anti-Lock Brakes, Electronic Suspension Adjustment and even Xenon headlights. And finally, add long-distance comfort with heated seats and handlebars, an electrically adjustable windshield, generous stowage space, and cruise control. Now you can tear around as well as tour around, transforming large states into tiny ones.
